

A Traditions Keepsake Pendant keeps the memory of your loved one forever close to your heart. Hand-crafted from solid sterling silver, these beautiful pendants hold a small memorial: a tiny clip of hair, dried flowers from the ceremony or portion of a love one's cremation.

Each Traditions Keepsake Pendant includes a solid sterling silver 24" double rope chain exquisitely displayed with the pendant in a black velvet and satin presentation box.

You may also exhibit your Traditions Keepsake Pendant in a matching Pewter or Oak Display Dome
