Included within these price lists, there are several disclosures that are required by either Federal or State law. At the time you receive this packet, your director will tell you about all of these disclosures and request that you sign and date forms that indicate that you received all of them, both verbally and in print.

"Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent."

NOTICE REGARDING CREMATED REMAINS: A person having the right to control disposition of cremated remains may remove the remains in a durable container from the place of cremation or interment, pursuant to Section 7054.6 of the Health and Safety Code.

If the cremated remains container cannot accommodate all cremated remains of the deceased, the crematory shall provide a larger cremated remains container at no additional cost, or place the excess in a second container that cannot easily come apart from the first, pursuant to Section 8345 of the Health and Safety Code.

The goods and services shown in these pages are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. Payment in full is required 24 working hours prior to the furnishing of any merchandise, ceremonies or disposition. Acceptable forms of payment are cash, cashier's check, Visa, MasterCard and Assignable/Incontestable life insurance policies. There will be a 5% processing fee on all life insurance policies added to the cash advance section of your Statement of Funeral Goods and Services Selected. We do not accept estate claims.
